Hall F

Special Focus Symposium on Simulation-Based Decision Support

Chair: Prof. Miroljub Kljajić, University of Maribor, Kranj, Slovenia

Welcoming Remarks

by Prof. Miroljub Kljajić, Univ. of Maribor, Fac. of Organizational Sciences, Kranj, Slovenia

Conceptual Semantic Systems and its Applications in Decision Support– Keynote Address

by Prof. Karl Erich Wolff, Darmstadt University of Applied Sciences, Darmstadt, Germany.

Simulation Approach to Decision Support in Complex Systems – Keynote Address

by Prof. Miroljub Kljajić, University of Maribor, Maribor, Slovenia

Designing Methods for Simulation-Based Decision Support – Keynote Address

by Prof. Wiktor H. Adamkiewicz, The IIAS Canada, and Maritime University, Gdynia, Poland.

Virtual Reality as a Tool for Warehouse Simulation Model Implementation

by Davorin Kofjač and Prof. Miroljub Kljajić, University of Maribor, Kranj, Slovenia

Development of System Dynamics Model for Public Decision Support

Related to Organic Farming

by Prof. Črtomir Rozman, Prof. Karmen Pažek, Prof. Franci Bavec and Prof Martina Bavec University of Maribor, Faculty of Agriculture, Maribor, Slovenia; and

by Prof. Andrej Škraba and Prof. Miroljub Kljajić, University of Maribor, Kranj, Slovenia

LUNCH BREAK 12:00 –14:00

Application of Hierarchical Decision Models in Nursing Care– Keynote Address

by Prof. Olga Šušteršič, University of Ljubljana, University College of Health Studies, Ljubljana, Slovenia; by Prof. Vladislav Rajkovič and Uroš Rajkovič, University of Maribor, Faculty of Organizational Sciences, Kranj, Slovenia

Aggregation of Group Opinions on Nuclear Waste Depository Options Using Evidential Reasoning Approach

by Dr. Dong-Ling Xu and Dr. Jian-Bo Yang, The University of Manchester, UK

Group Learning Supported by Simulation Model

by Mirjana Kljajić Borštnar, Prof. Andrej Škraba, Prof. Miroljub Kljajić, Davorin Kofjač and Prof. Vladislav Rajkovič, University of Maribor, Faculty of Organizational Sciences, Kranj, Slovenia

Web of Control and Simulation for Operators Personnel Training

by Prof. Vahram Petrosyan, "Armatom" Institute of NSC28 A. Serob St, Yerevan, Armenia;

by Prof. Miroljub Kljajić, Faculty of Org. Sci., University of Maribor, Slovenia, and

by Prof. Vardan Mkrтчhian, All Armenian Internet University, P.O.Box 965, Lane Cove, NSW, 2066, Australia
