**Symposium /Workshop on The Global Educational Network**  
**A Proposition for an Interactive Global Ph.D. Program – Part III.**

Chair: Prof. Winfried K. Rudloff, Governors State University, Univ. Park, IL, USA

This Symposium / Workshop will provide forum for discussing a worldwide educational network, its scholarly and scientific possibility and its potential political pitfalls. It will explore how to integrate classroom learning and student conference participation with long-distance teaching using the virtual classroom, and how this can help establish an Interactive Global Ph.D. Program.
