## **3<sup>rd</sup> Special Focus Symposium and Workshop on Humor and Laughter - With Audience Participation**

Moderators: Prof. George E. Lasker, IIAS , Tecumseh, ON, Canada  
Prof. Winfried K. Rudloff, Governors State University, Univ. PK. IL, USA  
Prof. Otto E. Rössler, University of Tübingen, Tübingen, Germany  
Prof. Greg Andonian, Carleton University, Ottawa, Ontario, Canada

This Symposium / Workshop will provide forum for discussing how humor and laughter can enhance the quality of human life and human health, how it can help to peacefully resolve conflicts, relieve tension, reduce stress, decrease anxiety and fear, and improve the overall sense of personal wellbeing. It will discuss how humor and laughter can deepen our insight, improve perception and comprehension of things and people, and help to solve many complex problems. It will explore how humor and laughter can help to break down barriers and promote understanding and cooperation between people, cultures and social groups, and how it can improve the quality of human communication and interaction.
