

**20th ANNIVERSARY INTERNATIONAL CONFERENCE ON SYSTEMS RESEARCH, INFORMATICS & CYBERNETICS
JULY 24 – 30, 2008**

HALL	July 24th THURS.	July 25th FRIDAY	July 26th /27th SAT / SUN	July 28th MONDAY	July 29th TUESDAY	July 30th WEDNESDAY
The AULA	OPENING PLENARY SESSION		Free Days of Rest and Relaxation			CLOSING PLENARY SESSION
A		Contemporary History & Politics of the World		Systems Research in the Arts and Humanities (I)	Systems Research in the Arts and Humanities (II)	Systems Research in the Arts and Humanities (III)
B		9 th Symposium on Sustainable Dev. & Global Community		Special Focus Symposium on Education	Engineering and Mgmt. of IT-based Organizational Systems	Risk Analysis, Mgmt. Cybernetics, Economics
C		Intelligent Software Tools and Services		6 th Special Symposium on CIESKS: Communication, Information & Economic Sciences in the Knowledge Society (I)	6 th Special Symposium on CIESKS: Communication, Information & Economic Sciences in the Knowledge Society (II)	
D		Architecture of the 21 st Century			Decision Technology & Intelligent Information Systems	
E				5 th Symposium on Personal & Spiritual Development	Decision Technology & Intelligent Information Systems	
F		Systems Research in AI, Logic, Maths and Engineering Cybernetics		Operations Research, Security of Information & Engineering Cybernetics	Computer Science, AI & Engineering Cybernetics	Health Care & Intelligent Medicine
G					6 th Symposium on Art and Science	
H				Nanotechnology and Nanoscience (I)	Nanotechnology and Nanoscience (II)	Nanotechnology and Nanoscience (III)
TBA		FESTIVE RECEPTION
